Pot goes puff

Over 400 pounds of confiscated marijuana went up in smoke Thursday afternoon when the Hancock County Sheriff's Office held a pot burning session at Hancock General Hospital. Sheriff Sylvan Ladner said the marijuana was seized in raids

conducted in the county during an 18 month period and had a street value of between \$150 and \$200 thousand dollars. It took almost an hour for sheriff's deputies to burn the narcotic in the hospital incinerator.

Misplaced preposition dashes City hopes for reimbursement

By CAROLE LANGE
A misplaced preposition in the city council minutes caused a lengthy, and sometimes heated, discussion between council members and W. A. Barber, L&N railroad division engineer, at Friday's reconvened Council meeting. Barber met with the council to discuss costs the city said the railroad should pay in ditch and culvert construction on the L&N right of way

between St. Charles and Sycamore Streets. Barber pointed out that a culvert was placed by the railroad in 1961 and the city paid the cost of \$5,604.50 as the contract specified.

Commissioner Lucien Kidd disagreed, however, and said the original contract stipulated that construction costs would be handled by the railroad with the city only bearing costs

of keeping the culvert operable. Therefore, Kidd contended, the railroad should reimburse the city.

Barber countered that the contract did not call for the railroad paying for the culvert and suggested that council members reread the contract.

At his suggestion, city attorney Jody Gex looked through the minutes of the 1960 council meeting when the contract was signed and found that the city had agreed to maintain the culvert, but not to pay for its construction.

When Barber's copy of the contract and the council minutes were compared, it was found that the preposition "of" in the contract and "to" in the minutes preceded the phrase concerning payment of construction costs. The city's original copy of the contract could not be located, and Commissioner Clarence Ladner conceded that the use of the word "to" in the minutes could be a typographical error. Therefore, Ladner said in his opinion the contract would have to take precedence.

Mayor Warren Carver and Commissioner Kidd concurred and Mayor Carver jokingly expressed regret "that we couldn't get any money out of the railroad."

\$3,000 pledged for DJ's release

WQID disc jockey Dennis Adams kicked off the Crippled Children Foundation fund-raising weekend Friday when he turned over \$3,000 in pledges.

Adams had been in Harrison County Jail since his arrest Tuesday, and was released Friday at 6 p.m. after the pledges were called in to his cell. He was charged with being too overweight to

participate in Sunday's 10 mile hike.

Adams' imprisonment was the first activity planned by the Foundation to raise \$30,000 for the Gulf Coast Therapy Center near Kiln.

The walkathon to raise the balance of the money is scheduled to begin at 1:30 p.m. Sunday on the beach opposite the Edgewater Mall in Biloxi.

Underground cables tabled

City votes to proceed with renovation

By CAROLE LANGE

The city council voted unanimously Friday afternoon to proceed with plans to renovate Main Street from U. S. Highway 90 to St. Francis Street but delayed plans to modernize the street lighting with underground cables.

Friday afternoon's meeting with Mississippi Power Company (MPC) representatives stemmed from Monday's regular council session when Mayor Warren Carver said he wanted to have underground cables installed "because Main Street is a major thoroughfare into the city and should be a first class boulevard." The council had previously voted to install above ground lighting.

MPC representatives said the city would have to pay an additional \$50,200 to install the underground lighting system. Bill Raney, MPC executive said that cost was based on last year's figures and was subject to increase.

The Main Street project is funded by the Federal Aid to Urban Systems Program which is administered by the Mississippi State Highway Department. George Zorn, planner with city engineers Burk and Associates, said the city was allocated \$64,000 for the project with an additional \$33,000 due in January. Mayor Carver pointed out that the renovation project, excluding installation of underground cables, would amount to \$130,000. When asked where the remaining \$33,000 for the renovation would come from, he replied "good question" and said the city may have to take out a loan or revenue sharing funds could be considered.

Planned repairs call for widening the street from 18 to 26 feet, adding sidewalks, installing curbs with gutters or some type of subsurface drainage

system, and constructing an underground drainage system.

Commissioner Lucien Kidd said that because the city didn't have enough money on hand for the street project, he didn't think it wise to consider taking on a new project that would cost \$50,000.

Mayor Carver admitted that he did not have ready sources of funding for the underground cable, but reiterated that he thought the repairs should be "first class."

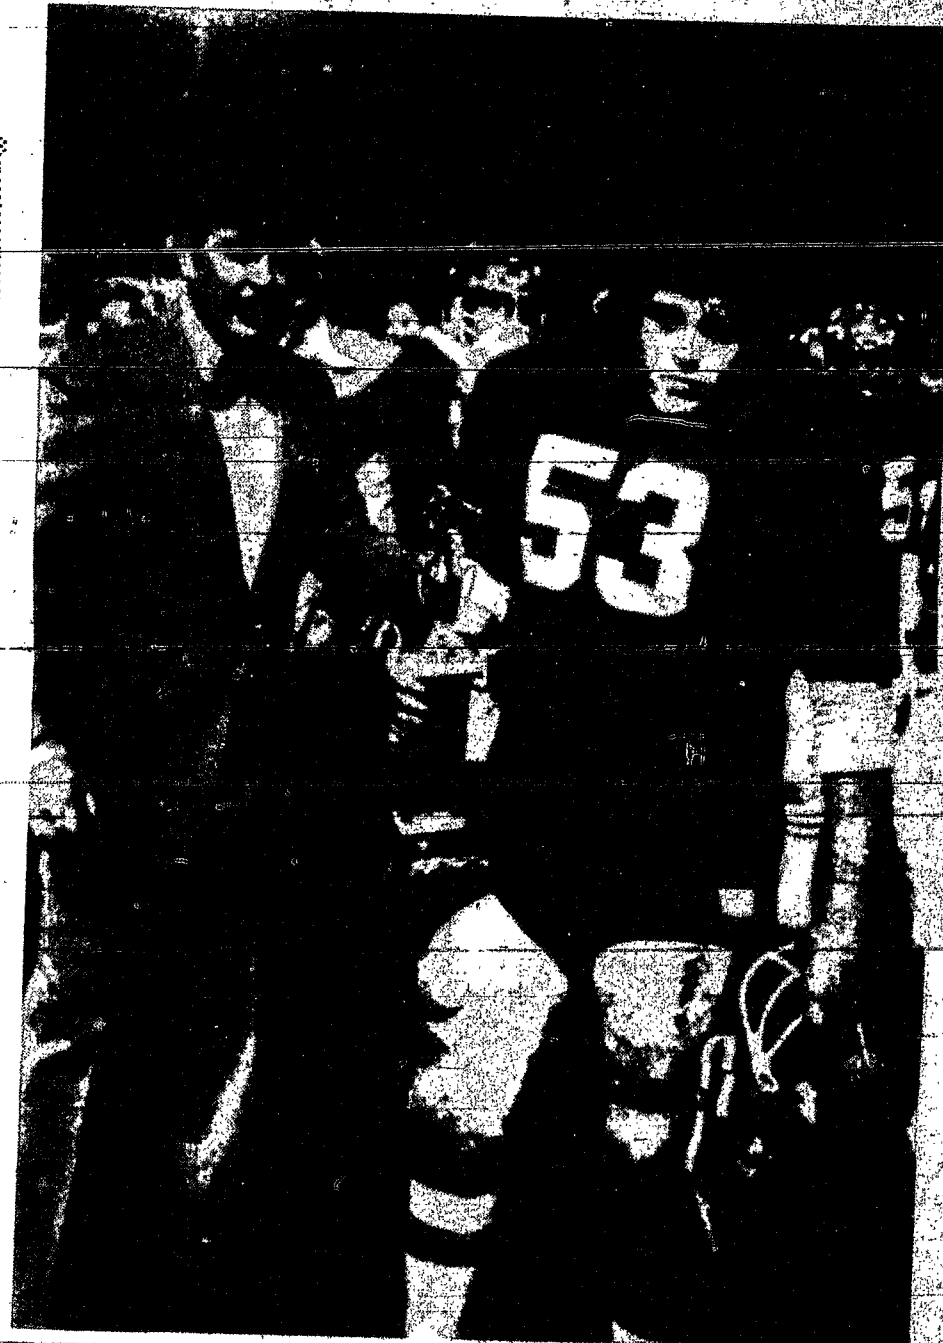

At this point, Raney mollified Kidd and appeased Carver by saying that MPC would install underground conduits now at a minimum cost to the city. He said this action could eventually save the city money should the Council decide to install underground cables in the future.

Bay ranks third

While placing seventh among the nine coast municipalities in dollar volume of building permits issued during the month of September, 1975, Bay St. Louis placed third when building permits issued were figured on the basis of a per capita value using the 1970 Federal census figures.

Dollar value figures prepared by the Mississippi Research and Development Center, Gulf Coast Branch office, reported Biloxi in number one place with \$1,000,400 in permits issued; Gulfport second with \$440,365; Ocean Springs third with \$272,780; Pascagoula fourth with \$217,252; Long Beach fifth with \$180,134; Moss Point sixth with \$165,000; Bay St. Louis seventh with \$138,000; Waveland eighth with \$23,200; and Pass Christian ninth with \$21,720.

On the basis of a per capita value of permits issued by each municipality, Long Beach ranked first with \$30.49 per capita; Biloxi, second with \$20.63; Bay St. Louis third with \$20.45; Gulfport fourth with \$10.80; Moss Point fifth with \$8.54; Pascagoula sixth with \$7.97; Waveland seventh with \$7.31; Pass Christian eighth with \$7.29; and Ocean Springs ninth with \$6.90.

Bay St. Louis to get new litter receptacles

Five new concrete litter receptacles valued at \$200 each will be placed throughout downtown Bay St. Louis Sunday at no cost to the city.

During the reconvened city council meeting Friday, Joseph Deep, representing Twentieth Century Receptacles, Inc., Biloxi, asked permission to place the receptacles, decorated on three sides with colorful advertising posters, at various points in the city. Deep told council members that the receptacles are currently in use in Biloxi, Gulfport, Pass Christian,

and Ocean Springs where they have met with approval.

Advertisers bear all costs for providing the containers, Deep said. Made of steel-reinforced concrete, the receptacles are six-sided, hold 33 gallons of litter, stand 33 inches high, and weigh approximately 500 pounds.

Deep said the receptacles were recently selected for use in New York City after a two year study by the Environmental Protection Agency (EPA). He said the EPA found that the installation of attractive litter con-

tainers can reduce city cleaning costs by 20 percent and save the city up to 90 percent of the cost of replacing easily smashed metal containers. He added that the receptacles are rustproof, weatherproof, color fadeproof, and almost 100 percent maintenance free.

In the future, Deep said, as many as 15 receptacles may be placed throughout the city. He said his company would take charge of keeping the receptacles clean and in good repair as long as city garbage workers would see that they are emptied.

Certificate of appreciation

Members of the Hancock County American Cancer Society (ACS) Unit received a certificate of appreciation Friday from the Mississippi Division of ACS for their "notable assistance in the crusade to conquer cancer." Pictured in the Martin Morreale home where presentation ceremonies took place are, from left, Margaret Harris, District 19 president, National

Association of Practical Nursing and Educational Service (NAPNES); Eula Mae Stephens, NAPNES education chairman; Morreale, chairman, Hancock County ACS; Mous Santiago, hospital chairman; and Sisile Schindler, Hancock County publicity chairman. Morreale presented the certificate to Mrs. Santiago to display in the hospital lobby.

SMPDD agency on aging sponsors clinic on geriatrics

A workshop sponsored by Southern Mississippi Planning & Development District Area Agency on Aging will be held Nov. 27 at the West Side Community Center, West Beach Gulfport, from 9 a.m. to 12 a.m. for those whose occupations deal with working and planning for the elderly.

Conducting the workshop will be Dr. Pablo Hernandez, director of outpatient services at Weems Mental Health Center in Meridian. Dr. Hernandez has worked with various organizations dealing

with geriatrics since his graduation in 1968 from Salamanca University Medical School in Spain. He has been with Weems Mental Health Center since May of 1974.

The workshop will focus on preparedness of staff in dealing with the aging process as related to death and dying. Other topics to be discussed will include: psychology of aged persons; social problems of the aged; communication needs of the aged; approach to terminal illness of the aged;

and psychological and emotional disorders of the aged.

Staff members attending the workshop will consist of information and referral workers, multi-purpose center and day care workers, and staff members from mental health and health agencies. All interested persons and others who work with the elderly are encouraged to attend.

For further information, contact Ms. Angie Laura Ellis, 388-2770, at the West Gulfport Multi-Purpose Center.

For lack of size

Necaise says Tigers will substitute speed and execution

The Bay High Tigers extended their season record to 2-0 Thursday night with a clutch 60-58 win over the George County Rebels at George County.

Senior guard Allison Favre led the Tigers with 29 points. Six foot four sophomore forward Mike Thompson and junior guard Adrian Favre led the Tigers in rebounding with 12 each. Lewis Smith, 5'10" junior guard, led in assists with five.

Bay High jumped to a slim 13-10 early first period lead but saw that trimmed even closer at the end of the half as

George County pulled to within one at 27-26.

The Tigers stretched the lead to three points again in the third period which ended 41-38 but quickly fell five points behind in the fourth period.

Coach Mike Necaise sent his charges into a full court press and the strategy worked as the Tigers made three quick steals in 30 seconds to go back ahead by one point.

"We need to work on the mental things," Necaise said following the game Friday.

"Physically the boys are in good condition but we com-

mitted the little mental breakdowns that no club should make and that are just plain suicide for a club without any real size like us."

The Tigers tallest player is the sophomore Thompson, now that all conference forward Tom Barrett (6'3") is out 6-8 weeks with a broken foot.

The Tigers also are without the services of last year's starter Bill Ginn (6'5") forward who Necaise said chose not to play this year.

Necaise said the following would either be starters or would see a lot of action this

year: Michael Thompson (6-4 sophomore forward), Allison Favre (5-11 senior guard), Clarence Hargett (6-0 senior forward), Paul Saucier (6-0 senior center), Lewis Smith (5-10 junior guard), Donald Lott (5-9 senior guard), Steve Acker (5-10 junior forward), Adrian Favre (5-10 junior guard), and Roy Shubert (5-10 sophomore center).

Necaise said the Tigers' schedule was tougher this year than any he has seen for sometime.

"We made this schedule before we knew about our injuries and other factors," Necaise said but added he thought the Tigers could and would still have a winning season. Bay finished with a 13-12 record last year—the first winning season since 1967, accomplished during Necaise's third year of coaching at the school.

The Tigers will play Notre Dame at home next Monday night and then host Harrison Central Tuesday night also at home before taking a week off.

Ten traits that'll take you to the top!

Copyright 1975

"What traits will take you to the top in business?" a reader asks

Well, a trait, according to Woodman Webster, is "a distinguishing characteristic." And, the men at the top usually have these 10 outstanding characteristics, my research in success behaviors indicates:

1. Hard, Steady Work: Yes, "hard work" are two, good, tested, four letter words. They describe the successful. Hard, dedicated work—and lots of homework—built America. And, if we plan to continue leading the free world in business then hard work is vital to our success. A leader knows this and acts accordingly.

2. Optimism: Leaders are invariably positive. They believe that good ultimately prevails over evil. Their lifestyle is to always take the affirmative and the most hopeful or cheerful view of matters.

3. Enthusiasm: "Nothing great was ever achieved without enthusiasm," Emerson said that. Throughout history, our great leaders were inspired, intense, eager, zealous. Enthusiasm fuels creative, innovative action. And, remember, the men at the top are solution finders. The trait of enthusiasm generates their desire to get the job done and done well.

4. Individualism: In my on-the-line research, every business leader I've ever known is distinctly an individual. One of the best examples is Chicago businessman multi-millionaire W. Clement Stone. A unique, unusual, bow-tie-wearing gentleman, who is a generous, giving man. His life and his fortune are dedicated to helping make this world a better place in which to live.

5. Imaginative: Leaders have the power of forming mental images of what is not present. As a cub reporter, I remember interviewing the late and great inventor, GM's "Boss" Kettering, inventor of the automobile self-starter, ethyl gasoline and other products that have helped mankind. I'll always recall his words, "Think and imagine a bright future. Plan for it. And, you'll have it!"

And this sage advice: "Remember, when you're getting kicked from the rear it means you're out in front!"

6. The Ability to Get Along With People: One key leadership trait that, always stands out is the leader's ability to get along with people. His style is invariably fair, firm and friendly. He is always looking for the strengths in his colleagues. Then he builds on these strengths and focuses on their successes. He's a builder; an encourager; a hope giver. Remember, business is basically a team effort. And he's an encouraging and inspiring coach.

7. A Listener: Excellent listening is wanting to hear and to learn. Every leader I know is a great listener. And he is able to ask concise, cogent and courteous questions which skillfully open the minds of those with whom he works. Watch the behaviors of leaders. You'll usually see them listening—intently! They know what they know. That's why they're eager to listen to others—to learn what they know!!!

8. A trusting person: A leader has a high MTRC Factor in his character. That is, in his dedicated and committed manner, he has high "Mutual Trust, Respect and Confidence" in his fellow men.

9. Flexible: Strong and pliant. Like a bamboo tree. A leader leads in this adjusting way: If he can't change the facts, he flexibly bends his attitudes to fit the situation. He thinks and acts in alternative ways. He's open, adaptable, willing to learn, eager to grow.

10. Judgement: Goal Setting, Leadership, Intelligence, Rationality, Technical Competence. These are other traits top corporate executives search for when picking successors.

How are you doing? Measure yourself against these ten traits that'll take you to the top.

Economic Conference program announced

Authorities in the field of economics and finance will be in Jackson Dec. 4 and 5 to participate in the third annual Governor's Conference on Economic Development.

Two full days of sessions have been planned on many facets of state development including analyses of trends in world marketing, commerce, tourism and private industry.

Speaking of the conference theme, Dr. Robert L. Robinson, executive director of the A & J Board, said, "We have a great deal going in the economic development area in Mississippi. The purpose of this conference is to evaluate where we are and at the same time, generate new and additional ideas with the hope of expediting the accomplishment of our potential in economic growth."

Conference activities will begin at noon Dec. 4 with an address by Governor Waller. Afternoon sessions will focus on international tourism, planning for change in industrial development, minority economic development, and attracting industry through tax incentives.

Principal speakers at the general session Thursday afternoon will be Alex Armandaris, national director of the Office of Minority Business Enterprise; Robert Pamplin, president and chairman of Georgia-Pacific

Co.; Dr. M. L. Frankel, president of the Joint Council on Economic Education; and William B. Walton, vice-chairman of the board, Holiday Inns, Inc.

From 5:45 to 7 p.m. the Mississippi Planning and Development Districts will hold an informal session on services available by the state's ten district offices.

Alan Greenspan, chairman of the President's Council of Economic Advisors, will be the main speaker for the 8 p.m. dinner Thursday night. Friday the sessions will begin at 8:30 a.m. with key speakers Wilmer Mizell, Assistant Secretary of

Commerce for Economic Development; Dr. John Kircher, deputy chairman of the Board for Continental Oil Co. and John Holloman, Federal Power Commission.

Sessions following the mid-morning intermission will be held on domestic tourism, international trade, Mississippi's role in energy development and Mississippi competing for economic growth.

The conference will conclude Friday with a noon luncheon at which F. J. McDonald, executive vice-president of General Motors Corporation will be the speaker.

Yellowjackets win Jaycee 27-23

Stanislaus bows to St. Martin as Osley stings Rocks twice

By DAN BARBER
The passing magic of St. Martin quarterback Ricky Osley combined with two key turnovers by the St. Stanislaus Rockchaws were all the Yellowjackets needed to salt away a 27-23 win over Stanislaus Friday night in the sixth annual Jaycee Bowl at Tiger Stadium.

Osley, named the game's most valuable back, rushed for two touchdowns and passed for another, throwing for a total 146 yards for the night in leading the Yellowjackets to a come-from-behind win.

Trailing 23-20 at the start of the fourth period, Osley directed the Yellowjackets 62 yards in 10 plays after taking the kickoff and squirted three yards through the Rockchaw defense for the game-winning touchdown with 6:50 left to play.

Stanislaus jumped to an early first period 7-0 lead after taking the opening kickoff and driving 87 yards in nine plays. Fullback Skip Negrotto carried the pigskin the final four yards for the Rocks with 9:20 left in the period. Gene Hoda added the PAT.

Then a second certain Stanislaus score in the same period was erased on a fumble at the St. Martin two yard line after the ball squirted from running back Art Scafide's hands and rolled into the end zone. St. Martin took possession on their own 20.

Following that scare, the Yellowjackets defense really got stingy and the St. Martin offense got a golden chance to put some points on the board after Tom Jones intercepted David Weir's pass at the Stanislaus 47 and returned it to the 42. On the next play, Osley cashed in on the opportunity, hitting end Joe Williams for the 42 yards and the Jackets first td. Larry Gomila kicked the first of three PATs.

The Jackets then scored a go ahead touchdown with 20 seconds left in the half after Stanislaus quarterback Mike Graber threw the Rocks second interception of the night, this one being picked off by Larry Gomila at the Stanislaus 47. Osley took the ball in on a one yard keeper after moving the Jackets 43 yards in five plays.

Halftime score was St. Martin over Stanislaus 14-7.

St. Martin increased their lead to 20-7 in the third quarter after a little razzle dazzle. First Osley hit end Joe Williams for 16 yards and then on the next play Williams got a chance to throw the ball after taking a pitchout from Osley, hitting Jones for a 64 yard td pass with 11:15 to play in the third quarter.

Stanislaus came roaring back with Weir combining with Gene Hoda for a 29 yard touchdown strike. Weir hit Paul Brown for the two point conversion after taking the pitchout from Graber and the Rocks were suddenly back in

the game trailing only 20-15. The score covered 80 yards and took 8 plays from kickoff.

Then on a freak play, the Rocks suddenly found themselves in the lead after guard Brian Milner scooped up the ball on a broken pass play after no whistle was blown and trotted 70 yards unpursued for a touchdown. Graber then hit Gene Hoda for the two point conversion and the Rocks had a 23-20 lead as the clock ran out in the third period.

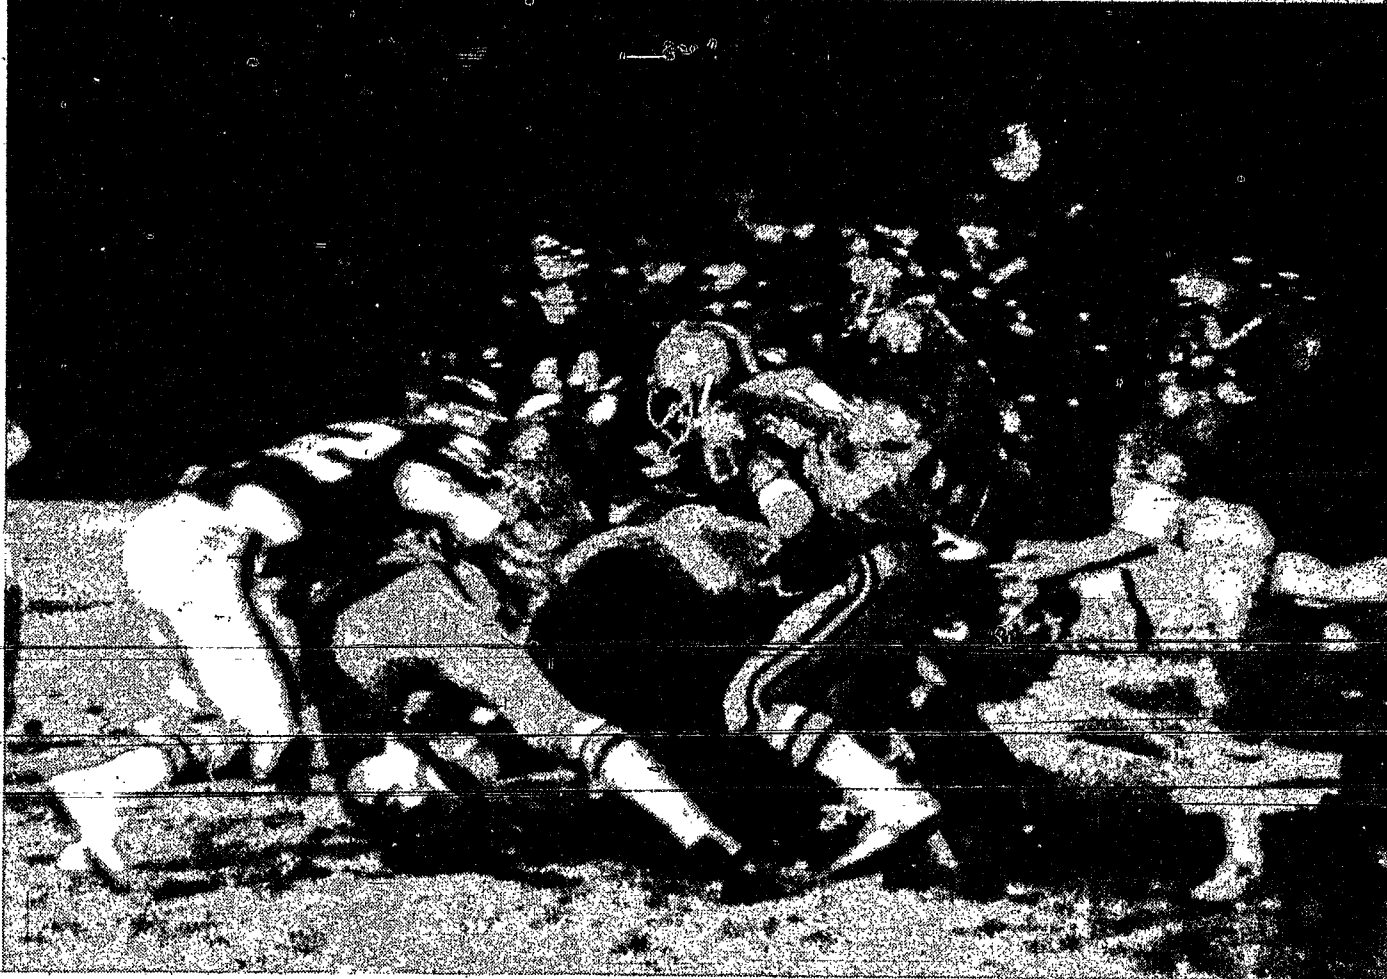

But the brief moment of exhilaration was not to be enjoyed too long by the predominantly partisan home crowd. Gathering the St. Martin offense around him again, Osley retrieved the Yellowjackets one last time as he directed the offense 62 yards in 10 plays and scored the game winning td himself on a three yard keeper with 6:50 left to play in the game.

The loss was the second of the season by Stanislaus to St. Martin, who defeated the Rocks in regular season play 25-13.

St. Martin finished the season 6-4 overall and 5-2 in the Pascagoula River Conference. Stanislaus was 4-3 in the conference and 7-3 overall. In addition to the outstanding back trophy to Osley, Tommy Longo was presented the trophy for outstanding lineman.

Ceremonies at halftime included presentation of Bowl queen Madonna Peterson of Bay High and her court consisting of Dolly McDonald and Jeffrey Bultman, both also of Bay High; and Ann Mills, Rhonda Aime and Mary Boos, all of Our Lady's Academy.

Gulf Park schedules special courses

HATTIESBURG — As a public service to residents of the Gulf Coast, 25 special interest courses will be taught during the winter quarter at the University of Southern Mississippi-Gulf Park, announced B. Glynn Rawson, director of community services and programs.

Courses have no prerequisites and are open to all interested persons, regardless of educational background. The courses are designed to provide fun, profit, or individual improvement.

To be taught on Monday evenings are needlecraft, pottery, bridge, clothing construction, aviation ground school, and beginning cake decorating.

For additional information, contact Louis Elias, community services coordinator at USM-GP. Telephone 864-2155 or 864-2370.

Tresh, Forstall win pick-a-pal tourney

Joycelyn Tresh and Gloria Forstall overcame cold and rain to capture first place in the Pick-a-pal tournament sponsored by the Diamond-head Women's Golf Association last Tuesday. Runnersup were Mary Cronetta and Marion Engelhorn.

All winners were present with potted ivy plants at the association's luncheon Thursday.

Daily Horoscope

Sunday Nov. 23

ARIES (Mar. 21-Apr. 19): Plan a quiet time with someone you admire. An outing or stay-at-home relaxation is good choice.

Taurus (Apr. 20-May 20): A new approach to old problems is called for. Cut down on your schedule by eliminating some activities.

GEMINI (May 21-June 20): Visitors, or visits with some new information are featured. Others will be of great influence today.

CANCER (June 21-July 22): Loved ones have the wrong idea about what you are willing, or able to do. Correct this impression.

LEO (July 23-Aug. 22): Some type of exercise is in the picture. A good day to start that diet, or physical fitness program. Don't overdo.

VIRGO (Aug. 23-Sept. 22): Be prompt today. Keep all commitments. Call a friend, particularly an old person. Don't let things go.

LIBRA (Sept. 23-Oct. 22): A good day for sports events, either as a participant, or spectator. A favorable day.

SCORPIO (Oct. 23-Nov. 21): Stay near the nest if possible. Intellectual activities such as reading are favored.

SAGITTARIUS (Nov. 22-Dec. 21): A secret may be revealed to you. If so, treat it seriously and with great respect.

CAPRICORN (Dec. 22-Jan. 19): Plan fresh starts. You see things more clearly today than you have for weeks. Have faith in your own judgement and move accordingly.

AQUARIUS (Jan. 20-Feb. 18): Your family, or friends are after your attention. Give it to them. Take time to listen and talk.

PISCES (Feb. 19-Mar. 20): You should get plenty of affection and compliments today. But a health problem seems to be moving toward the surface. Best not to neglect it.

Monday Nov. 24

ARIES (Mar. 21-Apr. 19): Consider a major change in your lifestyle, your way of doing things. Save for that rainy day.

TAURUS (Apr. 20-May 20): You may do something today you never considered before. Look out for surprises.

GEMINI (May 21-June 20): Solitude is best today. Get off by yourself and think things over. Read something of value.

CANCER (June 21-July 22): A lucky day for those interested in politics. Most familiar things will flourish today.

LEO (July 23-Aug. 22): A small emotional storm seems to be tugging at your mind. Check the future. Gaze over the past.

VIRGO (Aug. 23-Sept. 22): Seek out a favorite place, a favorite friend. Possibly something you haven't done for a long time. It will be worth the trouble.

LIBRA (Sept. 23-Oct. 22): Social life is in the picture. Group activities are best today. Forget the weather.

SCORPIO (Oct. 23-Nov. 21): If a recurring dream is troubling you, seek advice. One and hear today's fate.

SAGITTARIUS (Nov. 22-Dec. 21): A friend may give you with interesting, but important news. Try to remember it.

CAPRICORN (Dec. 22-Jan. 19): You need to plan your day without forgetting the smallest detail. Start work early.

AQUARIUS (Jan. 20-Feb. 18): Forget the past as you drive ahead to a new future. Romance is large in today's picture.

PISCES (Feb. 19-Mar. 20): Intellectual matters on the upbeat. Read a novel, or sign up for a class, or lecture series.

Tuesday Nov. 25

ARIES (Mar. 21-Apr. 19): Entertainment is important. Plan to attend a good show, special event, school program, or discussion.

TAURUS (Apr. 20-May 20): A good day to be active and competitive. Keep what you're

GEMINI (May 21-June 20): Remember, romance, travel, anything you do, prosper today. Test your common sense. Don't pay off.

CANCER (June 21-July 22): Look before the sunsets to learn if you could lose money on a proposal, scheme, or purchase. Trust yourself.

LEO (July 23-Aug. 22): Write, or phone a friend. Someone you see often, but not socially. Stay close to home in the evening.

VIRGO (Aug. 23-Sept. 22): If you've been putting off a health problem, phone for an appointment. A day for conservative caution.

LIBRA (Sept. 23-Oct. 22): Family matters need attention. A kind word can do wonders. Fight boredom, but don't let it show.

SCORPIO (Oct. 23-Nov. 21): Take it easy today. Avoid crowds, traffic, jams and overeating. Do no more than necessary.

SAGITTARIUS (Nov. 22-Dec. 21): An event you've been looking forward to may fall through. You'll survive. Read Leo message.

CAPRICORN (Dec. 22-Jan. 19): Don't let the blues get you down. Be patient. An unexpected surprise is beginning to shape up.

AQUARIUS (Jan. 20-Feb. 18): Some tensions can be eased with frankness, good humor. Those in power smile on you.

Wednesday Nov. 26

ARIES (Mar. 21-Apr. 19): Shopping, attention to wardrobe should be pushed forward. Relax and enjoy your work.

TAURUS (Apr. 20-May 20): Things seem to be shaping for a twist to the brighter side. This could start a long-term trend.

GEMINI (May 21-June 20): A bad day for those who work in the evening, or at night. Caution. Let evening activities slide.

CANCER (June 21-July 22): Do a good turn for an old person. A phone call will help. Avoid risks and new ventures.

LEO (July 23-Aug. 22): Rethink your attitude toward superiors. Changes are advised. Avoid conflicts of any kind today.

VIRGO (Aug. 23-Sept. 22): Good news is due, possibly regarding education or finances. Plan for a prosperous winter.

LIBRA (Sept. 23-Oct. 22): Travel opportunity opens. You form a friendship. You will be at your best today and tonight.

SCORPIO (Oct. 23-Nov. 21): Unexpected expenses

Thursday Nov. 27

ARIES (Mar. 21-Apr. 19): Communications called for with friend, or relative. Ask questions. A surprise is in store.

TAURUS (Apr. 20-May 20): A snooping neighbor means no harm. Ignore it. Splendid day to make changes.

GEMINI (May 21-June 20): An honor, or blessing will be yours. Be proud of it. Place false worries out of your head.

CANCER (June 21-July 22): An unexpected guest, or a chance meeting is likely this day. Good vibrations between morning and dark.

LEO (July 23-Aug. 22): Legal matters need attention, but don't sign anything today. A stormy political situation is on horizon.

VIRGO (Aug. 23-Sept. 22): There is a nuisance at home. Learn to live with it. Expect life changes, but meet them with caution.

LIBRA (Sept. 23-Oct. 22): Evening hours favored today. Early hours - a washout. Remain with loved ones if possible. Let others fight the battles.

SCORPIO (Oct. 23-Nov. 21): A bad time for decision making. Future planning favored, but avoid promises and commitments of any kind.

SAGITTARIUS (Nov. 22-Dec. 21): Investigate changing your place of residence, or rearranging the things about you. Move right along with your plans.

CAPRICORN (Dec. 22-Jan. 19): You've been doing a good job and you are in for some praise. Start a new venture without fear.

AQUARIUS (Jan. 20-Feb. 18): Those about you will be startled by your success. Take time for a quiet, reflective walk, possibly near the water.

Friday Nov. 28

ARIES (Mar. 21-Apr. 19): Make no new commitments today, but go over old ones. You may be neglecting someone you value.

TAURUS (Apr. 20-May 20): Travel signs unfavorable. Stay as near home as possible. You can learn from life's trials today, but little else.

GEMINI (May 21-June 20): Make sure your credit rating is as good as you can make it. Pay bills. Romance is in order.

CANCER (June 21-July 22): Opportunities will come your way and you must be ready. Think carefully before you offer comments.

LEO (July 23-Aug. 22): A solid investment is in the picture. Talk it over, then act. There is a lot of news to talk about.

VIRGO (Aug. 23-Sept. 22): Your self-confidence is well grounded. Be bold and take charge. People will listen to your good ideas.

LIBRA (Sept. 23-Oct. 22): Practical knowledge rules today. Put your common sense to work for you. Cool sudden urges.

SCORPIO (Oct. 23-Nov. 21): Dip into savings only as a last resort. A lucky day for romance. Someone needs you today.

SAGITTARIUS (Nov. 22-Dec. 21): Give way to impulse today. Gamble if you like. Take a chance, but don't give up everything for romance.

CAPRICORN (Dec. 22-Jan. 19): Any venture you start today could end up on the rocks. Wait. Buy something for a friend.

AQUARIUS (Jan. 20-Feb. 18): A fine day to be lazy. Don't plan anything. Otherwise the sailing will be smooth. Sleep a lot.

PISCES (Feb. 19-Mar. 20): Signs favor organization. Tie up loose ends. Solve large and small domestic problems. Make a list.

Saturday Nov. 29

ARIES (Mar. 21-Apr. 19): An evening meeting would be great for either romantic, or business purposes. Be sure and look your best.

TAURUS (Apr. 20-May 20): It's best to stay with old friends, places and things today. You can play a key role in the afternoon.

GEMINI (May 21-June 20):

ETV wins merit awards

The Mississippi Authority for Educational Television has been notified that it has received two awards in the 11th Chicago International Film Festival.

The two awards are Certificates of Merit for "It's All Based on the Meter" from "The Metric System" and for the opera production "Die Fledermaus".

"The Metric System" is a comical series designed to motivate intermediate and junior high school students to develop the use of the metric system of measurement.

The Mississippi ETV production of the comic opera "Die Fledermaus" featured music students from the University of Southern Mississippi.

Boy Scouts participate in show

Indian dancing, pioneering skills, health and safety, model making, home museums and emergency rescue are just a few of the 300 activities and exhibits to be featured at Scout Show '75 scheduled Dec. 6 at the Rivergate.

An annual activity of the New Orleans Area Council, Boy Scouts of America, the seven-day show will extend from 1 to 8 p.m.

The show is devoted to "Scouting in Action" and will involve more than 10,000 Scouts, Cub Scouts and Explorers from 11 southeast Louisiana parishes and Hancock County.

Gov. James B. McRae is serving as general chairman, Floyd W. Lewis is president of the New Orleans Area Council.

Tickets priced at \$1 are available from members of Cub packs, Scout troops and Explorer posts and ships.

Waveland grad joins Union Carbide Corp.

Berry E. Burke, Waveland, a May graduate of the University of Southern Mississippi, has accepted a post with Union Carbide Corp. in South Charleston, W. Va. The son of Eugene A. Burke of Penthouse Condominiums, Pass Christian, and Mrs. Lillie H. Burke, 119 Mollere Dr.,

Waveland, Burke is a graduate of Bay St. Louis High. His employment was coordinated by the USM Placement Bureau, a free service to all students.

A Polymer Science major, Burke was a Dean's List scholar, and held two Polymer Science Department Scholarships. He transferred to USM from Pearl River Junior College.

Marengo credited with obtaining favorable I-10 Hospitality site

E.J. Marengo of Coastal Insurance Agency has been credited by the Hancock County Chamber of Commerce with most of the honor due in obtaining the final site for the Interstate Highway 10

Hospitality Station. To be constructed on the southwest quadrant of the I-10 and State Highway 607 interchange, the announced location was chosen over an alternative suggestion further

east on I-10. Bids for Phase 1 construction on the project are to be opened in Jackson Tuesday, Nov. 25, according to E.L. Boteler Jr., state highway department director.

Hancock County Chamber Manager Max Berns said Wednesday that much of the credit for the final location should go to Marengo, for his work on the project when he was chamber president and

later when he was chairman of the Tourist Hospitality Station Location Committee. In Poland it was once believed that on Christmas Eve the heavens part to reveal Jacob's ladder!

Susie Lee, of Kiln, is the newly installed historian for Pi Omega Pi, business education honor society at the University of Southern Mississippi. She is enrolled in the College of Education and Psychology.

Auxiliarists present Thanksgiving musical salute

The Bay Waveland Jr. Auxiliary will present a special Thanksgiving program over radio station WUPU Sunday, November 23 at 3:30 p.m. "A Bicentennial Salute To Our Musical Heritage" begins with the music of the early colonial churches, and includes anthems, folk songs, medleys, and in conclusion a tribute to George M. Cohan.

Tag inspection scheduled Monday

Hancock County sheriff's deputies will conduct an inspection for expired license tags and out of state tags Monday, Nov. 24, according to Sheriff Sylvan Ladner. The inspection had been set for Thursday, Nov. 20 but Ladner said unexpected circumstances resulted in the postponement.

Long Beach man posts bond

following charges

A Long Beach man was released on \$350 bond from Hancock County Jail Thursday night following his arrest that morning on five charges, including possession of a lid of marijuana.

James Wilson, 23, was arrested by Mississippi Highway Patrolman Herschell Ladner after he was involved in a mid-morning traffic accident on U. S. Highway 90. According to Ladner, Wilson ran the red light at the intersection of Highway 90 and Main Street and collided with a Coast Electric truck driven by Joseph Chiniche, 60, Bay St. Louis.

Wilson did not have a driver's license in his possession and told Ladner that he thought it was in his car. When the patrolman looked inside, he reportedly found the marijuana and assorted paraphernalia on the front seat of the car.

Wilson was charged with reckless driving, failure to have a safety inspection sticker, driving without a license, possession of marijuana and possession of paraphernalia.

Ladner said damage estimates stemming from the accident were \$3,000 for Wilson's car and possibly \$50 to the trailer of the Coast Electric vehicle.

Every Day is a Day of Thanksgiving ...

Even as we join family and friends in the traditional holiday feast, we should remember that this day has been set aside for us to do officially the very thing we should be doing every day of our lives: thanking God for our blessings. We have so many, regardless of our own situation, that we cannot begin to count them all; not only the tangible things we can see all around us, but also the invisible blessings, such as the misfortunes we have been spared. Go to your Church on Thanksgiving Day and every Sunday and give your thanks to God for all of them. The Pilgrims were grateful for so little; and you have so much.

THE FOLLOWING MERCHANTS AND INDIVIDUALS REMIND YOU TO ATTEND THE CHURCH OF YOUR CHOICE

...Through virtue of vested power — ye shall gather with one accord, And hold in the month of November, thanksgiving unto the Lord.
